**Action**

**1. INTRODUCTION: Welcome to Public, Safety Notices and Prayers**

The MAYOR declared the meeting open and reported that no apologies had been received. He then welcomed Reverend David Busk to the meeting and invited him to say a prayer.

The MAYOR explained that the purpose of the meeting was to provide an overview of the work the Council had undertaken over the preceding year. It allowed members of the public to have their say and raise any concerns. In addition to this, an Annual Report had been prepared and circulated to the public.

However, as there were no members of the public in attendance, the MAYOR suggested that the meeting be concluded if the Council were agreement.

The Annual Report encouraged the public to direct any queries they may have to the TOWN CLERK either by email or telephone.

With this in mind, it was agreed that the meeting would not proceed and the MAYOR closed the meeting at 20.04.
