1. General

1.1. These financial regulations govern the conduct of financial management by the council and may only be amended or varied by resolution of the council. Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders¹ and any individual financial regulations relating to contracts.

1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.

1.3. The council's accounting control systems must include measures:

- for the timely production of accounts;
- that provide for the safe and efficient safeguarding of public money;
- to prevent and detect inaccuracy and fraud; and
- identifying the duties of officers.

1.4. These financial regulations demonstrate how the council meets these responsibilities and requirements.

1.5. At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.

1.6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.

1.7. Members of council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.

1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council. The Clerk has been appointed as RFO for this council and these regulations will apply accordingly.

1.9. The RFO/Clerk;

- acts under the policy direction of council;
- administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;

¹ Model Standing Orders for Councils (2018 Edition) is available from NALC (©NALC 2018)

- determines on behalf of the council its accounting records and accounting control systems;
- ensures the accounting control systems are observed;
- maintains the accounting records of the council up to date in accordance with proper practices;
- assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
- produces financial management information as required by the council.

1.10. The accounting records determined by the RFO/Clerk shall be sufficient to show and explain the council's transactions and to enable the RFO/Clerk to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the council from time to time comply with the Accounts and Audit Regulations.

1.11. The accounting records determined by the RFO/Clerk shall in particular contain:

- entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
- a record of the assets and liabilities of the council; and
- wherever relevant, a record of the council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.

1.12. The accounting control systems determined by the RFO/Clerk shall include:

- procedures to ensure that the financial transactions of the council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
- procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;
- identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
- procedures to ensure that uncollectable amounts, including any bad debts are not submitted to the council for approval to be written off except with the approval of the RFO/Clerk and that the approvals are shown in the accounting records; and
- measures to ensure that risk is properly managed.

1.13. The council is not empowered by these Regulations or otherwise to delegate certain specified decisions. In particular any decision regarding:

- setting the final budget or the precept (council tax requirement);
- approving accounting statements;
- approving an annual governance statement;
- borrowing;
- writing off bad debts;

In these financial regulations the term ‘proper practice’ or ‘proper practices’ shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners’ Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

4. Budgetary control and authority to spend

4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- the council for all items over £2,000;
- a duly delegated committee of the council for items over £500; or
- the Clerk, in conjunction with Mayor or Chairman of the appropriate committee, for any items above £500 but below £2,000.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

4.2. No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the council, or duly delegated committee. 4.3. Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year.

4.4. The RFO/Clerk will inform committees of any changes impacting on their budget requirement for the coming year in good time.

4.5. In cases of extreme risk to the delivery of council services, the Clerk may authorise revenue expenditure on behalf of the council which in the Clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £500 and up to £2,000 with the prior agreement of at least two Councillors (The Mayor and the Chair of the Finance Working Party/Budget Advisory Panel if possible). The Clerk will report the action to the Council as soon as practicable thereafter

4.7. All capital works shall be administered in accordance with the council's standing orders and financial regulations relating to contracts.

4.8. The RFO/Clerk shall regularly provide the council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared at least at the end of each financial quarter and shall show explanations of material variances. For this purpose "material" shall be in excess of £500 or 10% of the budget whichever is the largest.

Notes and definitions July 2020

Town Council Meeting. This refers to the full meeting of Godmanchester Town Council (GMC TC), usually held monthly. Currently 17 Councillors.

Working Party / Portfolio Group. GMC TC has 4 portfolio groups whose focus represents the 4 main streams of council responsibility: property, business, environment, and planning and transport. These groups function as working parties who hold meetings in private and may make recommendations to full town council. They have no delegated powers to make any new decisions on behalf of GMC TC. Their financial powers are limited to spending their previously agreed budget, with a variance of 10% or £200. Their chairmen have no special delegated powers.

Finance Working Party/Budget Advisory Panel. This cross portfolio and committee working party meets as required. It is a working party with no delegated powers of decision making, only to make recommendations to full TC.

Personnel Committee- GMC TC has one committee, personnel which has delegated powers to make decisions, including financial without referral to full town council as defined within their Terms of Reference. Their meetings are advertised beforehand, the public can attend, and minutes kept. This is similar to full GMC TC Meetings.

Mayor/Chairman. GMC TC has a Mayor who also chairs the meetings. In this document Mayor also refers to the Chair of the Council. All Parish or Town Councils have a Chairman, but not all have a Mayor.

Responsible Financial Officer (RFO) This is a statutory office to be appointed by every council. The Town Clerk has been appointed as RFO for GMC TC. although this is not mandatory.

Seemingly Irrelevant Clauses- This document includes some sections that are currently irrelevant to GMC TC but retained in case of future need. NALC recommends these are not removed from the document. References to committees with delegated powers refer only to personnel, and not all apply.
