Adulthood101: How to find a job

Are you a young person looking to get a job? Leaving home for the first time? Not sure where to start?

We've got you covered!

Learn how to build a CV, how to write an application, and where to find resources. Practice your interview skills with mock interviews, and more.

This is the first in a series of six workshops covering a range of practical life skills aimed at empowering young people stepping into adulthood.

Huntingdon Library on Wednesday 25th October 4-6pm

Age: 15-21
